If we're feeling **poopy**, depressed, or **Lethargic**, then we probably need to begin **creating**.

Creating invites us into the **sacred space** (2) that God occupied at the creation.

A spiritual **restlessness** may have plagued young **Jesus**.

What John was doing was not an independent **singular** ritual **act** .

John's ministry was completely **renegade**.

Jesus was a **disciple** of John, and probably became a leader of his own **satellite community** (2).

We have the encounters with **Apollos** recorded in **Acts** and **[1st] Corinthians**.

Here in Mark's gospel, the word of God that comes **spectacularly** with Jesus' baptism reflects the **proud parent** (2).

The message of his way was what to **do**, how to **think** and **act**, and how to regard others.

Like a **child's** imagination, the Spirit has amazing range and is **full** of **surprises**.
