Elijah is **hiding out** (2) there, and **God** finds him.

It was near three ski resorts, Mt. Bromley, Mt. **Stratton** and Mt. **Snow**.

My trip down the mountain took **half** the **time** .

He's got to go **back** up the mountain and get some more **Ten Commandments** (2).

God tells Moses how *everything* is supposed to be, right down to how to **hang** the **draperies** in the Temple.

God is like the **mom**, not **chill** at all.

They had **nametags**. Think about it.

Jesus has probably done a **face–palm** (2), but God isn't too **polite**.

God was totally fed up. God **yelled** at them.

Like Moses, Jesus experience coming off the mountain was **rather disheartening** (2).

God is active and **invested** in their **ministry** with God's people.

God lifts us to the **heights** and doesn't abandon us to the **abyss**.
