

# FAIR-FIELDER

*Catch what was said in the sermon?*

---

**March 19, 2017**

A five to eight percent decrease can cause **fatigue** and **dizziness**.

It can also function metaphorically as a **life alert** (2) to a need, a lack, or an emptiness.

They've been **hoofin' it** (2) all day in the desert heat.

God's people have taken a surprisingly **quarrelsome** attitude with Moses.

This **hysteria** made an impression on **Moses** who takes up the dramatic right along with them.

Yes, they did change **masters**, and they're very different **masters** between Pharaoh and God.

Now she's getting really **confused**; you can almost hear her **mental gears** (2) grinding.

Social law for both Jews and Samaritans allowed only **three marriages** (2).

A Samaritan may worship **ba'al** on the mountain.

On cue, the woman states her awareness of the **promise** of the coming time.

We enjoy the **living water** (2) that satisfies the thirst for **meaning**, for belonging, and for new life.
