

FAIR-FIELDER

Catch what was said in the sermon?

April 10, 2016

Huge savings can be made if you re-use the **first stage launcher** (3).

They're down to their last **rocket**.

One industry publication starts a new column called **Tesla Death Watch** (3).

And the church is an amazing reflection of our **risk averse** (2) nature.

Ananias is (I think) an even better story than **Saul**.

Is the Lord aware that Saul is a **murderous** opponent and **persecutor**?

God has that **expectation** from us.

They feel Peter gets a three-fold **commissioning**.

Here we have **unfinished couplets** (2).

Remember what happened to the last **shepherd**.

Keep reading and he points to the **beloved disciple** (2).

When our excuses and dodges poop out, we're reminded that God is calling us out on a **faithful limb** (2).
