“Prove it! A **modern Moses** (2) would demand.

He has just finished **belly - aching** (2) to God about his mission.

It would be much better if the number were a **factor** of **twelve**.

This observer tells them about it, and **Joshua** is **appalled**.

That’s what we really want to understand: what happens when the **Spirit** comes to the **faithful**?

You’ll recall that this is Paul’s **hot letter** (2).

Quoting **Leviticus** as **Jesus** did, Paul says, *The whole law is summed up in a single commandment, ‘Love your neighbor as yourself.’*

In this, a person knows their **blessings** and their source, bringing them a ready state of **joy**.

Patience allows space for God and the Spirit to work.

There is awareness in the Spirit that is **restrained**, sensitive, and tries not to **overpower** or control.

We should reckon our **identity** in the Spirit of God.
