

# FAIR-FIELDER

Catch what was said in the sermon?

June 14, 2015

The chancellor of **Germany** and the president of **Brazil** were deeply insulted.

Congress has become a lot more thoughtful and circumspect about re-authorizing things like the **Patriot Act** (2).

He was an accountant who ran a **nightclub**.

Clearly, God is out ahead of the curve, way ahead of **Samuel**.

Next comes the **beauty pageant** (2).

God confounds what passes as **popular opinion** (2).

Let's note right off that this is **somebody**, not a sower, not a farmer.

A mustard plant may grow **6-7** feet tall.

In Luke, the mustard seed grows into a **tree**.

Mark's story was "**improved**" with "the largest of shrubs."

The kingdom of God is an **insurgent force** (2) unleashed on the world to do God's will.
