

FAIR-FIELDER

Catch what was said in the sermon?

July 19, 2015

In the town of Sedlec in the **Czech Republic** (2), there is a church called the Cemetery Church.

Death was also very popular in the Middle Ages.

He created all kinds of decorative pieces using **bones** and **skulls**.

He died nearly 5 years before **Magic Kingdom** (2) opened.

Palace prophets tend to be “**yes**” **men** (2) anyway.

God will not be **subjected** to David’s plans.

David’s plans, however **grandiose**, now pale in comparison to God and God’s kingdom.

It really seems like I’ve been assigned two pieces that are like **travelogue** fluff.

In fact, this **teaching, compassion** and **healing** is your true mission.

They don’t need or want your **building**, by the way.

Jesus’ ministry is **bigger** and **bolder** than anything most churches can imagine.
