One ends up building a **resume** of sorts that shows progression.

It's like the Emmy for best actor goes to the **pizza delivery** (2) guy in *Breaking Bad*.

Hiding out with Jethro's **sheep** isn't so bad..

A burning bush in the desert heat was actually **not so unusual** (3).

Moses is not interested in some **big, new adventure** (3).

No one could **prepare for** (2) this kind of assignment.

Florence Chadwick (2) was a famous long distance swimmer who swam the English Channel.

Peter had just earned **praise** for his answer to Jesus' question.

Now Peter is being called "**stumbling block.**" (2)

The **faith** and **spirit** of the servant are critical elements in why God calls these otherwise forgettable characters.
