Catch what was said in the sermon?

October 12, 2014

There is the story of a man in the Middle East who owned a **prized horse** (2).

It isn't simply about **showmanship**, although there is some of that.

One of my wellness instructors joined the tour as a stage helper with the **Dave Matthews Band** (3).

Once again, the people in the wilderness prove to be **ungrateful** and **truculent**.

Aaron proves himself to be a real **weenie**.

They decided to set up a life-sized **blow - up doll** (3) as a substitute host....

It wouldn't help God's reputation to give evidence of being **homicidal** or **genocidal**.

All of these people Jesus notes would violate **ritual purity** (2).

The host was **steamed** when he got the report.

In both stories, a **false understanding** (2) of faithfulness corrupts the blessing of God.
