

# FAIR-FIELDER

*Catch* what was said in the sermon?

I felt this way until I looked up the price of **airfare**.

Not much in my price range has any **scenic features** (2).

One listing had the bedspreads **rippled** and **rumpled**.

In Psalm 84, we have a **pilgrim psalm** (2).

The way of the **pilgrim's** journey is one of **transformation**.

They dwell in mere **tents** by comparison.

When we return to Luke, we find **Jesus** is the **pilgrim** now.

Look, **Larry Roberts** (2) is running down Main Street and climbing a tree to see this **celebrity**.

Notice how Zacchaeus has actually been **called** by Jesus, singled out for a **privilege** and **blessing** .

Zacchaeus makes a **stunning commitment** (2) .

Jesus enlisted a new **pilgrim** - a spiritual **pilgrim** since we don't hear that Zacchaeus followed Jesu like the **blind beggar** (2).

It will require **determination** and **sacrifice**.
