In this decision, it is not mere **assent** that is **expected**.

It would be far, far better to admit one's **failure** and self-**disappointment** in not meeting expectations.

For geography **nerds**, the kingdom of **Moab** was on the eastern side of the **Dead Sea** (2) .

All three of them begin to **journey** together toward **Judah**.

Orpah sees the **merit** of Naomi's **argument**.

Naomi's argument to **Ruth** includes highlight the differences in **faith traditions** (2).

She goes into this **uncertain** future **faithfully**.

The question is not posed in any form of **ulterior motive** (2); there is no sense of **entrapment**.

The **inquiring** teacher responds in full **agreement** with Jesus.

He does not **ask**: "Tell me **more** about the **Kingdom of God** (3)."

The practice of **love** is entirely different from the **knowledge** of love or even from the **emotion** of love.
