For us in the **comfortable** class, we expect God's Chosen One in this season to be a **darling baby** (2).

The baby needs to **grow up** (2) and make a **difference**.

The **glory** and **majesty** of God are brought to beautiful, sumptuous **illustration**.

For God's people such as these, there is **love** for the **unlovable**.

It's not 'We shall **win**.' Oh, no! We have already **won**.

The song of Mary in Luke's gospel is known as the **Magnificat** for the opening **Latin** word.

Mary reveals the coming of the Lord in words that might come from a **prophet**.

Amos couldn't have said it better.

She is not **uncertain**, wondering, or **surprised**.

She was **digesting** everything and **wrestling** with it all.

God has a love which liberates the **underclass** and the **downtrodden**.
