

FAIR-FIELDER

Catch what was said in the sermon?

December 30, 2018

The only changes were in more **subtle** patterns of **skewing** and **waving** through the soil.

Old **poopy** adults can **grow** and develop as well.

She plays **let's - make - a - deal** (4) with God.

If Samuel was looking for **role models** (2), there were **slim pickings** at the temple where Eli was priest.

One final point concerns the **rather bankrupt character** of Temple priest Eli.

So, it turned out **the kid** wasn't **anywhere** that the parents assumed he was.

However, the **boy Jesus** (2) doesn't understand his **parents' anxiety** (2).

He was asking **faith questions** (2) , impressing the **elder teachers** (2).

In effect, **kid Jesus** (2) was already **departing** from his birth parents.

Left with their **fixed beliefs** (2), their spirit has **gone dark** (2).

One of the many **blessings** of this congregation is that so few are so **plagued**.
